Rockwall, TX, December 20, 2018.....We are pleased to announce that Gerardo Perez has joined Col-Met as a Business Development Manager for Mexico. Gerardo, with the support of the entire Col-Met team, will work to develop distribution partners in Mexico to promote the sales of Col-Met standard and RP Filtration products throughout Mexico.

Gerardo joins us with 25+ years of experience in the finishing industry. Most recently he worked for Carlisle Fluid Technologies as General Manager for the division located in Mexico City where he oversaw all manufacturing and sales activity supporting also Central America and The Caribbean markets. As his career developed within the Carlisle / ITW organizations he also worked in the capacity of Business Unit Manager, Operations Manager and Sales Manager. Throughout his career he has developed extensive knowledge of the finishing industry and strong relationships with the distribution networks throughout Mexico.

Please join Col-Met in welcoming Gerardo to the team. As always, Col-Met looks forward to working with our industry partners to grow and improve the finishing industry and thank all involved in helping Col-Met succeed since the formation of the company in 1997. You can e-mail Gerardo at gperez@colmetsb.com or call him directly at 52 1 (55) 1254 3630.

Please visit Col-Met's website, www.colmetsb.com, for more information on all our products and services. For more information, please contact customer service at 972-772-1919.

About Col-Met: Col-Met Engineered Finishing Solutions is the market leader in spray booths, ovens, washers, AMU's and other finishing components, delivering value through our quality, service, people and engineering capabilities. Col-Met operates ethically and honestly with strong leadership and strong principles, each and every day. We challenge ourselves, and each other, to always make Col-Met an even better company than it was the day before. We do this by focusing on our core values of Honesty, Integrity, Growth, Diversity and believing that when you do the right things the right things will happen.
