

Distributor Training: December 5-6, 2017

Col-Met offers a training event designed for Col-Met distributors. This training will arm and educate attendees in the many facets of the finishing operations as well as how the Col-Met product lines stand up against competition in terms of engineering, design, safety, user-friendliness and support after the sale.

You will hear topics such as:

- >> Market Overview
- >> Booth Performance
- >> Paint Booths & Role Play
- >> Powder Coating & Technologies
- >> Selecting a Col-Met Powder Coating Product
- >> Pretreatment Overview
- >> AMU Options & Considerations
- >> Ovens & PLC Controls
- >> System Design Considerations
- >> Filtration

Training Location:

Col-Met Engineered Finishing Solutions
2975 Discovery Blvd., Rockwall, TX 75032
